Request for Proposal (RFP) for Concurrent Auditor

District Rural Health Society Garhwa seeks to invite proposals from CA firms meeting the minimum eligibility criteria for the concurrent audit of District Health Society and all Blocks thereunder implementing various programs under the National Health Mission, Jharkhand for the financial year 2023-24.

Interested eligible bidders can submit the proposal with the Office of Civil Surgeon-cum-Chief Medical Officer of the district. The technical & financial evaluation and all selection process shall be done by Office of Civil Surgeon-cum-CMO at district level.

Details w.r.t background of the auditee, units to be covered in audit, scope of work, terms of reference, and the eligibility criteria for selection of the C.A firms are given below:-

Section I

Background

1. National Rural Health Mission (NRHM) of the Ministry of Health & Family Welfare (MoH&FW) was launched on 12th April, 2005 by the Government of India to improve medical facilities in the country. From 2013-14 onwards the NRHM programme has been subsumed under the umbrella programme of National Health Mission. NHM is overarching NUHM and includes Communicable and Non-Communicable Diseases (NCD) as well. The NHM seeks to provide accessible, affordable and quality health care to the population, especially the vulnerable sections. It also seeks to reduce the Maternal Mortality Ratio (MMR) in the country from 167 to 100 per 1,00,000 live births, Infant Mortality Rate (IMR) from 40 to 30 per 1000 live births and the Total Fertility Rate (TFR) from 3.0 to 2.1.
2. NHM has provided an umbrella under which the erstwhile Reproductive and Child Health Programme (RCH), various National Disease Control Programmes (NDCPs) and Non-Communicable Disease Programme (NCDs) have been repositioned. National Urban Health Mission (NUHM) has also been added as sub-mission of National Health Mission.
3. At present the following Programmes/Schemes come under the purview of National Health Mission:

A. NHM-RCH Flexible Pool:

- **RCH Flexible Pool** including Routine Immunization (RI), Pulse Polio Immunization (PPI) and National Iodine Deficiency Disease Control Programme (NIDDCP)
- **Health System Strengthening (HSS) under NRHM** including National Programme for Prevention and Control of Deafness (NPPCD), National Oral Health Programme (NOHP), National Programme for Palliative Care (NPPC), Assistance to State for Capacity building (Burn Injury), National Programme for Fluorosis (NPF) etc.

B. National Urban Health Mission (NUHM) Flexible Pool.

C. Flexible Pool for Communicable Diseases:

- National Vector Borne Disease Control Programme (NVBDCP),
- Revised National Tuberculosis Control Programme (RNTCP),
- National Leprosy Eradication Programme (NLEP),
- Integrated Disease Surveillance Project (IDSP).

D. Flexible Pool for Non-Communicable Diseases:

- National Programme for Control of Blindness (NPCB),
- National Mental Health Programme (NMHP),
- National Programme for Health Care of the Elderly (NPHCE),
- National Tobacco Control Programme (NTCP),
- National Programme for Prevention and Control of Cancer, Diabetes, Cardiovascular Diseases and Stroke (NPCDCS).
- And others

4. Institutional and Funding Arrangements:

For the implementation of the above programmes, MoH&FW has mandated the creation of an Integrated Health Society at State and District level registered as legal entities under Societies Registration Act, 1860. Such integrated State Health Society (SHS) works in close coordination with the Directorate of Health & Family Welfare and the District Health Societies (DHSs) work in coordination with the District Collector and District Chief Medical Officer (CMO). Program implementation is done through its District Chief Medical Officer's office, Blocks, Community Health Centres (CHCs), Primary Health Centres (PHCs), Sub- Centres (SCs), RogiKalyanSamities (RKS) and Village Health Sanitation&Nutrition Committees (VHSNC). Certain activities are managed at the State level such as drug procurement, IEC, civil works, training using specialized entities such as SIHFW, IEC Bureau, PWD, the Directorate of Health and Municipal Corporations for the urban health components. In addition funds are also released from SHS/ DHS to NGOs and private entities under Public Private Partnership (PPP) arrangements.

5. Funding & Accounting Arrangements:

Funds for the various programs are transferred from Pay & Accounts Office of MoH&FW to the State Treasuries and thereafter from the Treasuries to the SHS functioning in the State. Government of India transfer funds in the form of Grants-in-Aid to the SHS on the basis of respective State Programme Implementation Plan (SPIPs) and approved Annual Work Plans prepared on the basis of District Health Action Plans (DHAP) of each of the districts in the State. Under the umbrella of the integrated SHS/DHS, each program maintains separate bank accounts, books of accounts and other financial records as per the requirements of each program and also submits separate financial activity reports at varying frequencies to the respective monitoring unit in MoH&FW, GoI.

6. Financing by Development Partners/ Donors:

Some of the programs of NHM are also supported by development partners such as the Asian Development Bank(ADB), DFID, UNFPA, GFATM/World Bank etc. for which credit agreements have been entered into by GoI with the respective development partners. Compliance with specific fiduciary requirements of the development partners will additionally need to be reported upon by the Concurrent Auditors. Copies of the legal agreements and other project documents will be provided to the Auditors, if required, by the SHS/ concerned Programme Division in the State.

Section II

Objectives of Audit:

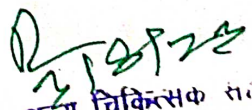

The objective of Concurrent Audit would be:-

- Ensuring accuracy and timeliness in maintenance of books of accounts;
- Tracking of advances, follow up and settlement on priority basis;
- Guarding against advances being shown as expenditure in the FMRs;
- Ensuring accuracy in the preparation of monthly/quarterly Financial Monitoring Reports, based on books of accounts;
- Ensuring voucher/evidence based payments;
- Ensuring timely and accurate submission of financial MIS to the management;
- Improving accuracy and timeliness of financial reporting from State, District & sub-District levels; and
- Improving internal control mechanism of the society.

A number of sub-district entities like Block CHC/PHC, PHC, RKS, Health Sub-Centre, in the same order of priority, may be selected by the District Health Society for field visit on a monthly / quarterly basis, and its observations would be incorporated in the respective audit report.

Financial Statements:

The Auditors shall submit the monthly financial Statements.
