### **Evaluation of Tender**

The Tender will be evaluated by the Institute's designated Committee. The detailed evaluation method for Prequalification-cum-Technical and Financial bids is specified below. The technical and financial bids are given weightage of 70 and 30 respectively.

### **Evaluation of Technical and Financial Bids**

Technical and financial bids of all the firms, which meet the prequalification criteria, would be taken up for detailed evaluation as per the technical and financial bid evaluation criteria, on pages 7 and 8. Each firm meeting the pre-qualification criteria would be evaluated and given a technical score out of 70 marks and a financial score out of 30 marks. Those firms, that do not meet the pre-qualification criteria, shall not be evaluated.

The formula for calculation of financial proposal is given on page 7 i.e. the technically evaluated and accepted the proposal with the least financial cost (L1) will be assigned a score of 30. The score of other technically accepted firms will be evaluated as per the following formula:  
= (L1 amount) X (30) / (Financial amount of bid being evaluated)

The firm with the maximum total score will be declared successful and awarded the work order. If the final score comes out to be the same for more than one firm, then the decision of the Competent Authority of the Institute shall be final.
