- Warehousing activities of MSWC include scientific storage of food grains, fertilizers, industrial goods, cotton bales, cement, and at some places it runs custom bonded warehouses and container freight stations.

MSWC has its Head Office [HO] at Pune (Maharashtra) and has 8 regional offices, one CFS and 205 warehousing centres under control of regional offices. MSWC has one petrol pump at Aurangabad Region. Head Office, Regional Offices, Warehouse Centres, Cold Storages spread throughout the state of Maharashtra that are responsible for implementation of warehousing projects / operations and maintenance (O&M) during the post-construction period and to carry all activities related with handling and storage of goods at the centre. MSWC has a full time Chairman & Managing Director (in the rank and pay of Secretary to the Government of Maharashtra).

MSWC undertake h&t work for the depositors, on their request through appointed h & t contracts. for the purpose of construction, maintenance and repairs of warehousing centres and various offices, MSWC selects/ appoints contractors and supervision consultants, commonly referred to as the ‘engineers’ who supervise the execution of the project on a day-today-basis on behalf of MSWC and also certify the

bills in respect of quantity and quality. Under the above situation, expenditure on land acquisitions, construction activities (utility shifting etc.) are incurred by MSWC.

MSWC follows a decentralized payment & financial accounting procedure. payments for various purposes are handled and the books of accounts are maintained at the regional offices and warehousing centres headed by a regional manager (RM) at regional level and CFS and centre in charge at warehousing centre level. The RM authorizes some payments, including to the contractors/consultants based on the certification made by the engineers or authorities and subsequent endorsement by the technical & field staff. necessary funds to meet the project expenses are released from HO to all the RM offices and centres on a periodical (*generally quarterly*) basis. All accounts are covered under CBS (Core Banking Solution), disbursement made by such Regions and centres are recouped from centralized account at HO on regular basis.

The financial accounting is made on double entry system of accounting on accrual basis in **SAP ECC 6.0** and is generally based on the Accounting Standards issued by The Institute of Chartered Accountants of India (as applicable to MSWC) and various Significant Accounting Policies adopted by the Board of MSWC from time to time. Accounts are prepared at HO. The financial statements are prepared in the formats prescribed by the Comptroller & Auditor General of India [C&AG] similar to accounting in companies as per company Laws and Accounting is done in SAP ECC 6.0 Software/Tally.

The Warehousing Corporation Act 1962 and Rules made there under prescribes the procedure relating to budget, accounts, audit, investment of surplus funds, etc. In accordance with the rules, the annual accounts of MSWC audited by the Comptroller & Auditor General of India [C&AG].

SAP ECC 6.0 software is being used by MSWC to broadly facilitate book keeping and financial accounting [based on a code structure enabling project accounting] under double entry system of accounting on accrual basis, (ii) consolidation of accounts, (iii) generation of various MIS reports, actual vs. budget analysis, etc. Upgradation of ‘SAP ECC 6.0’ to ‘Rise with SAP S4 HANA’ version is in process.

CA firm must submit experience certificate of implementation/migration of SAP in Government/ Semi Govt/ Public Ltd company/ Nationalized Bank / PSU Establishment.

CA firm must have capacity to handle migration related all accounting activities while upgradation of ‘SAP ECC 6.0’ to ‘Rise with SAP S4 HANA’ version.
